1. The term "board", as used in this agreement, shall mean the Board of Education of the Lisbon School District or its duly authorized representatives.
2. The term "employee", as used in this agreement, shall mean all professional employees represented by the Association on the bargaining unit as defined and certified by the Public Employment Relations Board.
3. The term "association", as used in this agreement, shall mean the Lisbon Education Association or its duly authorized representatives or agents.
4. The term "school year", as used in this agreement, shall mean the normal employee working year as established by the Board.
5. The term "year of service", as used in this agreement, shall mean employment in the Lisbon School District for ninety (90) teaching days or more in one school year. A teaching day shall be defined as employment for at least half of a "workday", as delineated in Article VIII, Section A (1). Any employee who works less than half of a "workday" for ninety (90) or more teaching days will receive credit for one half of one year of service for purposes of seniority.

B. UNIT

The Board hereby recognizes the Lisbon Education Association, an affiliate of the Iowa Education Association and the National Education Association, as the certified exclusive and sole bargaining representative for all personnel as set forth in the PERB certification instrument (case #271) issued by the PERB on the 26th day of August 1975 as follows:

INCLUDED: All full-time and regular part-time professional personnel including but not limited to classroom teachers, guidance counselors, librarians, four year degree nurses and Title I teachers.

EXCLUDED: Superintendents, assistant superintendents, principals, and assistant principals and all non-certified employees and all other excluded by Section 4 of the PERA.

ARTICLE II GRIEVANCE PROCEDURE

A. DEFINITION

1. A grievance is a claim by an employee, a group of employees, or the association that there has been a violation, misinterpretation, or misapplication of any provision of the agreement.

2. School days shall mean those days when employees are scheduled to be present, except during summer vacation when school days shall mean days when the Superintendent's office is open.

3. Grievant shall mean the person or persons or the association making a claim that there has been a violation, misinterpretation, or misapplication of any provision of the agreement.

B. PROCEDURE

Recognizing the necessity of maintaining without interruption educational services to the community, it is hereby agreed that if during the term of this agreement any difference should arise between the Board and any employee as to the interpretation and application of any of the specific provisions of this agreement, that all investigations or other handling or processing of said grievances by or in behalf of the grieving employee shall be conducted so as to result in no interference or interruption whatsoever of the instructional program and assigned duties of the grieving employee or the teaching staff.

A grievant covered by this agreement shall have the right to present grievances in accordance with this procedure, but only if and to the extent that the grievant is personally aggrieved.

The failure of an employee or the association to act on any grievance in the prescribed time limits will act as a bar to any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step.

The time limits may be extended by mutual written agreement.

FIRST STEP

An attempt shall be made to resolve any grievance in informal verbal discussion between the grievant and his/her principal or supervisor. This discussion must be held within fifteen (15) school days from the date of occurrence of the event giving rise to the grievance.

SECOND STEP

If the grievance cannot be resolved informally, the aggrieved employee shall file a grievance in writing and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the collective bargaining agreement allegedly violated and shall state the remedy requested. The filing of the formal written grievance at the Second Step must be received within ten (10) school days from the date of receiving the principal's answer from Step One. The principal shall make a decision on the grievance and communicate it in writing to the employee and to the Superintendent within ten (10) school days after receipt of the grievance.

The grievant may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, after Step One, by himself/herself and/or a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present beginning with Step Two.

THIRD STEP

In the event the grievance has not been satisfactorily resolved at the Second Step, the grievant shall file within five (5) school days of the principal's written decision at the Second Step, a copy of the grievance with the Superintendent. Within ten (10) school days after the written grievance is filed, the aggrieved employee and the Superintendent or his designee shall meet to resolve the grievance. The Superintendent or his designee shall file an answer within ten (10) school days of the Third Step grievance meeting and communicate it in writing to the grievant and to the principal.

FOURTH STEP

If the grievance is not satisfactorily resolved at the Third Step, there shall be available a Fourth Step of impartial binding arbitration. The Association may submit in writing a request to the Superintendent within thirty (30) school days from receipt of the Third Step answer, to enter into such arbitration. An employee filed grievance may proceed to arbitration only with the approval of the Association.

Within seven (7) school days of receipt of the Association's request, a written request for a list of arbitrators shall be made to the Federal Mediation and Conciliation Service (FMCS), by either party. The list shall consist of a minimum of five (5) arbitrators. Either party may reject the total list up to three times with a new list of five being received after each rejection. When a list is mutually acceptable to the parties, The parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove a name shall do so within five (5) school days after receipt of the list. Each party shall then alternately strike names from the list. One (1) school day will be given for each striking, the sole remaining candidate being selected as the arbitrator.

The cost of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

The arbitrator selected will hold hearings promptly and will render his written decision on a timely basis preferable within fifteen (15) days. The arbitrator shall decide all substantive and procedural arbitrable issues arising under this agreement. His award shall contain findings of fact, reasoning and conclusions on the issues submitted. His award, which shall be binding on both parties, shall be in accord with the provisions of this agreement. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this agreement.

The decision of the arbitrator may or may not include back pay, provided however that any back pay awards shall not be in excess of pay for one school year. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the grievant, the Board and their designated or selected representatives.

The arbitrator's award will be final and binding on the Association and its members, the employees involved, and the Board.
